

Land and Water Stewards Association Meeting
Minutes from July 14th 2008

Board Members Present: Larry Reymann, Janet Germeraad, Rita Moore

WSU Extension Staff: Tara Zimmerman

LWSA Members: Debi Eberle, Jessica Taylor, Arron Parks

Welcome and Introductions: Tara

Minutes from last meeting: 3/10/2008 Janet
Approved by Board

Treasurer Report: Tara

Did not have bank statement, but thought total was around \$3000.00. Has contacted bank to try to get mailing address changed, and also to get copies of back statements for the past year.

WSU AG/Nat Resource Staff-“what’s new” Tara
Tara interviewing for Melissa’s replacement

November 12th 2008 Rain Garden discussion. Board

Would LWSA again provide refreshments? It was agreed that it was nice for the March session, did not cost that much, and would be a good thing to do again.

Plant Propagation Rita

A short course in co operation with Earth Corps on plant propagation for restoration in October.

Annual Meeting Board

Discussion. Couldn’t be ready for September Meeting. Rita is checking dates for Mercer Isl. Library, Mercer Is. Community Center, and the Center for Urban Horticulture. It was decided to pick a date, probably Nov. 5th or 12th. After those set Tara would work on getting a speaker. Talk of Mark Plunkett as speaker on how to manage and what type of data to collect at restoration sites.

Future of the Board Board

Where to go from here? Need to get more involvement. Tara is giving handouts at end of class.

Next Meeting

September 8, 2008 Pyramid Ale House
