

Youth Serving Organizations

Partnering Organizations	Outcomes					Resources		
	WorkShop 1	Workshop 2? Or Field Trip	Food Systems Assessment 1- WC	Built Environment Assessment 2 - WC	Food Systems Assessment 1 - Delridge	Built Environment Assessment 2 - Delridge	Resources able to provide:	Resources needed from other YSO or FAF
Youth Media Institute	"Youth Out Loud" Summer Program	Other Skill building workshop (we conduct several media skill building workshops throughout the year)	We're open to suggestions, but we could work with our youth who complete the summer program to conduct the assessment(s)				Currently we are already raising funds for our summer program, so KCFFI would not have to support the project alone. We have funds to contribute that would cover some staff costs, equipment costs, etc. Plus we have already begun to do outreach for the summer program, so we could provide youth	Youth stipends, more youth.. some additional funds to cover costs associated with our intensive six week summer program/workshop
Youngstown	Power of Hope Workshop			Film			facilities, youth, programming.
